FULL SERVICE WEDDING PLANNING

This is a **perfect package** for couples that have a very busy schedule and don't have time to research for **vendors, venues** and **all other aspects** of wedding planning. If you choose this package, we will work with you from the very **first day** of wedding planning until the **very end**. We **collaborate & assist** with every detail, big or small, from the beginning to the end of your big day.

From finding just the **right vendors** and **wedding professionals** that fit **your style** and fit what you envision for your wedding day, to ensuring that all the **little details** are tied so that you and your special someone can enjoy the big day **completely stress free**. We **promise** to be there for every step needed to get you down the wedding aisle, and through the wedding day in the most **spectacular trending way imaginable**.

Includes, but is not necessarily limited to:

- Consultations to discuss your **vision** and **theme/ design**
- **Unlimited** in-person meetings, email and phone communication from time of booking to wedding day
- **Recommendations** for venues and all vendors
- **Negotiations** with all vendors and venues to ensure you are **within your budget**
- **Attend** vendor appointments to help you **find the right event vendors**
- Budget **management & analysis**
- Assist with design of **all wedding details** such as Invitations, Favors, Seating Cards, Programs, etc.
- **Guest List** Management
- All items from **Month of Coordination** included
